Framingham
STATE COLLEGE

Dear [redacted]

As alumni, we are all proud to be a part of a college that continues to maintain excellent academic programs at an affordable cost to its students. For many of us, these reasons brought us to Framingham State College and led us to where we are today. Blah, blah.

Today, the fact of the matter is that deserving students need help to finance their education. Blah, blah. **With the recent economic downturn and loan crisis, it has become even more important for Framingham State College to receive your support.** Blah, blah.

Blah, blah. **No matter the amount, every gift counts.** Blah, blah.

Please consider giving whatever you can afford to the Legacy Fund to help our students keep FSC accessible and affordable. For any gift, you may pay by credit card through our secure Web site at www.framingham.edu/alumni or return your credit card information or a check payable to Framingham State College with the above reply form in the enclosed envelope.

Together we can continue the educational mission of the institution that we are all so proud and fortunate to call our alma mater.

Sincerely,

Timothy M. Cornely

P.S. Graduates of the Last Decade (GOLD members) who give $100 will become members of the President's Circle GOLD Society, which entitles you to the President's Circle, ordinarily reserved for $1,000+ gifts.
