

Dear _____,

Thank you so much for submitting your wedding announcement. We will run it as soon as space allows.

If you haven't already, I'd like to encourage you to also submit a candid photo for our "From the Wedding Album" feature.

This photo, which runs in color on the front of our Sunday Daily News Hometown section, captures a fun moment from your wedding day. It could be a photo taken by your professional photographer or one snapped by your friend. It could be the bride and groom smooching under a tree or the best man doing the YMCA dance. The key is it should be a candid, action-type shot, different from your standard head-and-shoulders announcement photo.

If you would like to participate, here's how you can send your photo:

e-mail a digital image as a jpg attachment, 170 dpi to nsimmon@cnc.com

OR

snail mail the print to Nicole Simmons, MetroWest Daily News, 33 New York Ave., Framingham, MA 01701. The photo will be returned if you also send a self-addressed, stamped envelope

Please include the following information:

name of bride, hometown

name of groom, hometown

date and location of wedding

location of reception

identification of anyone else featured in the photo

explanation, if needed, of what's happening in the photo

Thanks again for your announcement submission and I hope you'll think about sending us a candid for "From the Wedding Album." If you need more information, call me at 508-626-3923.

Here's to many years of wedded bliss!

Sincerely,

Nicole Simmons
