

School of Medicine

**Citizens CSI Academy
at
Boston University's
Forensic Science Field Station
in
Holliston, MA**

Join us and take a walk "behind the lines" as we explore the many roles of the crime scene investigator. This 12- week program will provide insight and hands-on training into the forensic sciences and their application to criminal investigations. Our faculty are experts and practitioners in their respective disciplines. Each week will cover a new topic, demonstrate current practices and discuss the application of the scientific principles and the legal issues that they present.

Sessions will be held at Boston University's Forensic Science Field Station and at the Robert Adams Middle School in Holliston, MA

**Mondays 6-9 pm
February 23rd - May 18th, 2009**

To download an application, please go to
www.bumc.bu.edu/forensicinvestigation/citizens-csi-academy

Co-sponsored by the Holliston Public School

Material presented in class is suitable for individuals over the age of 18 years.

Fee: \$65 per student includes laboratory materials and refreshments
Enrollment limited to 25 participants
